

Shared Housing Fact Sheet

The benefits of shared housing can improve the quality of life for you or your loved one.

Individuals share housing as a way to:

- ◆ Find companionship
- ◆ Save money
- ◆ Receive help with transportation and house work
- ◆ Enjoy peace of mind and sense of security at home

ALA's shared housing program matches homeowners and renters who have extra bedrooms with reliable housemates. We invite families to participate in the matching process and experience the joy and security of finding the right housemate for their loved ones.

ALA staff are trained to:

- ◆ Conduct background checks
- ◆ Draft Living Together Agreements
- ◆ Coordinate trial periods
- ◆ Provide ongoing support
